Functionality of the Academic Cell

The Academic Cell is dedicated to fostering academic excellence and supporting faculty and students in achieving educational goals.

a. Objectives:

- To ensure the implementation of academic policies and standards.
- To facilitate curriculum development and periodic revisions.
- To monitor academic progress and performance of students.
- To support faculty development and promote innovative teaching methodologies.

b. Roles and Responsibilities:

- Coordinating the academic calendar and scheduling examinations.
- Organizing faculty development programs and workshops.
- Monitoring student attendance, academic performance, and progress.
- Reviewing and updating curriculum in accordance with regulatory guidelines.
- Facilitating academic audits and ensuring compliance with academic standards.
- Supporting student mentoring and academic counselling.

c. Operational Procedures:

- Regular meetings to review academic progress and policies.
- Developing and implementing academic strategies for quality enhancement.
- Conducting internal assessments and examinations as per the academic calendar.
- Providing feedback mechanisms for students and faculty.
- Coordinating with other institutional cells for academic support activities.
