Functionality of the Anti-Ragging Cell

The Anti-Ragging Cell is responsible for implementing preventive measures, addressing complaints, and creating awareness about the consequences of ragging.

a. Objectives:

- To prevent any form of ragging within the institution.
- To create awareness among students about the harmful effects of ragging.
- To ensure a safe and supportive learning environment for all students.
- To address complaints related to ragging promptly and effectively.

b. Roles and Responsibilities:

- Implementing anti-ragging policies and guidelines as per UGC regulations.
- Organizing awareness campaigns, workshops, and seminars on anti-ragging.
- Receiving and addressing complaints of ragging from students.
- Conducting investigations and taking appropriate action on reported cases.
- Collaborating with law enforcement agencies when necessary.
- Maintaining records of all complaints and actions taken.

c. Operational Procedures:

- Conducting regular meetings to assess the status of anti-ragging measures.
- Establishing clear channels for students to report incidents confidentially.
- Monitoring high-risk areas within the campus to prevent ragging incidents.
- Providing support and counselling to victims of ragging.
- Ensuring strict disciplinary action against those found guilty of ragging.

Achievements of the Anti-Ragging Cell

The Anti-Ragging Cell has made significant strides in ensuring a safe and ragging-free environment for students. Notable achievements include:

- Establishment of a zero-tolerance policy against ragging.
- Conducting regular awareness programs, workshops, and orientation sessions.
- Successful handling and resolution of complaints in a timely manner.
- Ensuring student participation in anti-ragging campaigns.
- Creation of a supportive framework for victims of ragging.
