Functionality of the Co-Curricular Cell

The Co-Curricular Cell is responsible for planning, organizing, and facilitating activities that enhance the overall development of students beyond the academic curriculum.

a. Objectives:

- To promote student engagement through cultural, artistic, and literary activities.
- To develop leadership, teamwork, and organizational skills among students.
- To encourage participation in inter-collegiate and intra-collegiate events.
- To create a vibrant campus culture that supports creativity and innovation.

b. Roles and Responsibilities:

- Organizing cultural events, workshops, competitions, and festivals.
- Facilitating student participation in debates, quizzes, and literary events.
- Coordinating with other committees and student clubs for event execution.
- Identifying student talents and encouraging their development.
- Maintaining records of events and student achievements.

c. Operational Procedures:

- Regular meetings to plan and review co-curricular activities.
- Preparing annual calendars for events and activities.
- Coordinating with faculty, students, and external organizations for events.
- Providing necessary resources and support for student initiatives.
- Documenting and evaluating the success of each event.
