## Functionality of the College Council

The College Council is responsible for formulating policies, overseeing academic and administrative functions, and ensuring that institutional goals are met effectively.

### a. Objectives:

- To oversee academic planning and policy formulation.
- To ensure smooth functioning of administrative activities.
- To monitor the implementation of institutional development plans.
- To foster an environment that supports academic excellence and research.

### b. Roles and Responsibilities:

- Approving academic policies, syllabus updates, and evaluation systems.
- Overseeing faculty appointments, promotions, and staff development.
- Ensuring compliance with university, regulatory, and accreditation requirements.
- Supervising infrastructure development and resource management.
- Addressing student concerns and enhancing the learning environment.
- Facilitating collaborations with external institutions and organizations.

### c. Operational Procedures:

- Holding regular meetings to discuss academic, administrative, and developmental matters.
- Reviewing institutional progress reports and performance metrics.
- Formulating and approving new policies, academic programs, and infrastructure development plans.
- Coordinating with various committees to ensure smooth institutional operations.
- Setting guidelines for internal audits and compliance checks.
