Functionality of the Student Council

The Student Council works to encourage student engagement, represent student interests, and organize events that contribute to the overall development of students.

a. Objectives:

- To represent the voice and concerns of the student community.
- To promote leadership and organizational skills among students.
- To facilitate communication between students, faculty, and administration.
- To organize academic, cultural, and extracurricular activities.

b. Roles and Responsibilities:

- Representing student issues and feedback to the college administration.
- Organizing events such as cultural festivals, seminars, workshops, and sports activities.
- Promoting student participation in academic and extracurricular activities.
- Assisting in maintaining discipline and fostering a positive campus atmosphere.
- Encouraging student involvement in community outreach and social initiatives.
- Supporting new students in their integration into the college environment.

c. Operational Procedures:

- Conducting regular council meetings to discuss and plan student activities.
- Collecting feedback from students regarding their needs and concerns.
- Collaborating with faculty and administration for smooth event execution.
- Coordinating with various student clubs and committees.
- Maintaining records of council activities and reports for review.
