Functionality of the Student Grievance Redressal Cell

The Student Grievance Redressal Cell works to address student concerns and ensure a transparent and responsive grievance redressal process.

a. Objectives:

- To create a safe and supportive environment for students to express their concerns.
- To address academic, administrative, and personal grievances in a fair manner.
- To promote a culture of respect, transparency, and accountability.
- To provide timely and effective solutions for student-related issues.

b. Roles and Responsibilities:

- Receiving and acknowledging student complaints.
- Conducting fair investigations into the grievances raised.
- Facilitating communication between students and concerned departments.
- Recommending appropriate actions and solutions to resolve issues.
- Maintaining confidentiality throughout the grievance resolution process.
- Monitoring the implementation of resolutions and following up on action taken.

c. Operational Procedures:

- Regular meetings to review and address student grievances.
- Establishing a structured grievance submission process.
- Ensuring transparency in the investigation and resolution of complaints.
- Providing timely updates to students on the progress of their grievances.
